Admin will try to accommodate requests for shooting with a partner but cannot guarantee this except on medical grounds. Where different styles mean that partners would normally shoot different courses and both partners still wish to shoot together, you should indicate which partner intends to shoot non-competitively (that is on a different course from other archers in his/her bow class). A request to shoot with another archer/helper on medical grounds requires suitable medical evidence to be provided a minimum 2 weeks prior to the event. Any archer who submits a list of demands about who they will/will not shoot with (children, named individuals etc) may find that their application is not accepted.

Registration:

8am to 9am SHARP on Saturday

7am to 8am SHARP on Sunday

It would be greatly appreciated if you would collect and return cards as promptly as possible as there is a lot of work to be done both before and after the shoot.
