

Belvedere Bowmen
Summer Open Shoot
29th June 08

Report by Wilf Skinner, Shoot Administrator

Good weather had been requested and was duly supplied, dry, sunny and not too hot. So we must have appeased the Great Archer in the Sky after last time!

103 archers, young and 'not so young', declared that they enjoyed another good days shooting around the course at the Purbeck Gun Club and enjoyed the facilities provided. Unfortunately our order of new 3d's did not arrive in time for use but everyone still enjoyed shooting the hell out of the old ones. Something to look forward to at our next event!

As always our thanks to the Club members for their help and support laying on the event, the Gun Club for the facilities and the archers for participating. See you all next time.
