Spring Open Shoot

26 April 09

Report by Wilf Skinner, Shoot Administrator

155 archers of all ages and styles attended another shoot in the grounds of the Purbeck Shooting School. The weather was kind to us, as ordered, just a light April shower in the morning otherwise good.

All comments on the shoot were positive other than the fact that the 'eatery' ran out of cake during the afternoon due the voracious appetites of the numbers in attendance, although the hot food was still available. Natasha, in charge of the Shooting Clubs catering, has promised to ensure more 'goodies' are available for the August event.

My thanks to all those who informed me if they were unable to attend for various reasons after booking places and for all those who attended for arriving in good time. That meant that there were NO 'no shows' and everyone was booked in by 0945 for the 1000 hours start. Now that's a first, well done!

We look forward to seeing you all in August.
