

The Bowmen of Bude Shoot Results 28th June 2009

Even a light shower of rain didn't dampen the enthusiasm nor the spectacular view the 148 archers had who attended our summer shoot at Tackbear farm near Bude (by kind permission of Mr. George Dunkin). With the aid of a lottery grant the club were able to provide 39 3D targets, mostly laid out in the woods but as ever some long shots and a herd of 5 deer were placed in the fields. Many thanks go to all members who worked very hard in the two weeks prior to the shoot. Also our new caterers who did a fine job, if not a bit taken aback with archer's appetites.
