

NFAS NEWSLETTER SHOOT REPORT FORM

Host Club	Crusader Bowmen	
Shoot Date	9th March. 08	
Report produced by	Philippa Riley	
<p>Another March - another Crusader shoot which seemed to be enjoyed by one and all. The weather behaved itself and so did the course, catering and merry archers one and all!</p> <p>However, an apology for the delay in getting the results out: we had a few technical hitches, so could you all check that your cards are correct (name, class, style, sex) before you hand them in, <u>please!</u> A further apology for a couple of incorrect medal placements. I hope I've now got them right!</p> <p>Another apology if I have not got name-spellings correct. However, the Caped Crusaders will be back on full efficient form this October!!!!</p>
