

GOSHAWK ARCHERS

SHOOT REPORT

29th MARCH 2009

What a fantastic day, the shoot was well attended with 110 archers; the course was 2 x 22 consisting of 3ds, 2ds and faces. Everyone appeared to enjoy the mixture of targets and the way that the course was laid.

The weather was fantastic; the food was excellent, there was only approval from all in attendance.

Thank you to all who attended.
