

Pines Park Archers –The End of an Era Shoot - 1st March 2009

Gary Swift, Shoot Secretary.

After over 18 years at our current site, the last Open Shoot to be held actually in Pines Park by Pines Park Archers took place on 1st March 2009. The Forestry Commission intend to create a holiday park and build 60 lodges on our shooting ground this summer. They have promised us a replacement wood within the boundaries of Sherwood Forest but no details of where this will actually be are available yet.

The weather was very kind to us on the day, a bit cool at times but with no extremes, and the catering van managed to keep the hot food coming despite the back wall catching fire. We did experience a few delays, so sorry to those of you who were affected, hopefully no one was too inconvenienced and we'll learn from these for next time.

We had a good turn out, with 212 archers taking part in a challenging shoot, made up of 40 mixed shots, with a maximum of 2 arrows at each target to ensure we finished in daylight. A big thank you to those people who had to cancel and who took the trouble to inform us before hand, we only had 1 no-show on the day; and thank you to all the PPA members who help ensure that our last shoot in Pines Park was a success.

We look forward to seeing you all again at our September shoot – wherever that may be. We will post details in the newsletter and on the NFAS Web board as soon as we have them.

The full results are available on our web site, www.pinesparkarchers.org.uk, but the headlines are as follows:

Position	First name	Surname	Club	Total score	Spots
		AFB - Gents			
1	Chris	Robson	Wyre Hall FA	678	4
