

Final shoot in Sherwood Pines - Sunday 13th September 2009

Having been given notice to quit by the Forestry Commission by June of this year, we all thought that the March shoot would be our last in Sherwood Pines Park. However it took them much longer than anticipated to find us somewhere else to shoot and to sort out the paperwork. 2 weeks prior to the September Shoot, it was still undecided by the FC whether our shoot would take place in Pines Park, or the proposed new shooting ground in Sansom Wood. In the end it turned out to be Pines Park, so a last minute burst of intense activity was needed to prepare the course for the shoot.

Thank you for all the constructive comments re the course, we have a new course laying team who will take all comments into consideration and learn from them for next time. The weather was really kind to us on the day, so apart from a few niggles hopefully the course was interesting, enjoyable and safe for all.

The confusion over the scoring of 24's meant that the checking of cards took longer than usual. There were also a few problems with the computer program used to calculate the final placings etc, resulting in quite a delay in announcing the results; so we apologise to all those who were inconvenienced by this and we would like to express our thanks to those who stuck it out and waited for the results to be announced. Hopefully the necessary tweaks will be made and it will run much smoother next time. However, with regards to wrong class allocation at results time, it is the responsibility of the archer to check their scores cards when collecting their cards to ensure no errors have been made and to notify admin of any necessary changes to enable them to be amended before shooting starts.

Barring dotting the I's and crossing the T's the paperwork and permit for new grounds is all but agreed. We look forward to welcoming you all to our new course in Sansom Wood in March 2010.

And now to the bit that you've all been waiting for - the results of the Pines Park Open Shoot on September 13th 2009 are:

Pines Park Archers Open Shoot 13th September 2009 - RESULTS & PLACINGS						
First name	Surname	Club	Status	Class	SCORE	KILLS
