

SOUTH WEST CHALLENGE 2008 – SHOOT REPORT

This year saw Ballands, Dunkery and Pendragon from Somerset and Labyrinth from Devon hosting the Challenge now in it's twelfth year. 147 archers booked for the whole week with another 24 shooting odd days.

Ballands set the scene with two days of 3D's, day one being a two shot round invented by Dave Simpson and aptly named the "Somerset" being an adaptation of a National Animal Round. The second day was a standard big game and everyone enjoyed the variation. The club had a nominated charity and an amazing total of just under £400 pounds was raised for CRY. The weather was unsettled with several heavy downpours and a wet prize giving.

Everyone then moved to Labyrinth who had set up at Lambert Castles ground, many thanks to them. A very muddy car park started the day and the weather went downhill from there. A woodsman round followed by a big game round both on faces was enjoyed by all. Labyrinth donate all their excess from the entry fees and all of the raffle proceeds to the Devon air ambulance.

After the rest day a move to Pendragon to tackle a Bushman round on Thursday. Lots of complaints about long distances and small faces and the day was not helped by more bad weather. Friday was a big game round at 2D cut outs beautifully made by Di Urda from Devizes bowmen. At last a dry day and everyone left in good spirits with another great donation of over £100 for the Dorset and Somerset air ambulance. Finally to Dunkery and probably the most demanding of all the venues. The weather really set in for the two days here and the course became extremely muddy and slippery. Credit to the team at Dunkery for changing a lot of the course on Saturday evening in an attempt to make things safer. Unfortunately, William Brown took a tumble and the air ambulance transported him to Exeter where torn ligaments were diagnosed. William is now on the mend and everyone from the Challenge wishes him a speedy recovery. The final prize giving was again treated to a heavy downpour making this the wettest Challenge to date.

I would like to thank everyone involved and particularly Dave, Maureen and Penny from Ballands, Lynn, Colin and Rob from Labyrinth, and Mike, Hilary and John from Dunkery. I have to add special thanks to John and Rob who came and helped enormously at Pendragon. Krys and Tina kept everyone fed for the first six days, joined in the spirit of the event and made a donation to the charities, thanks. Another thanks to all the people who offered help and encouragement to Pendragon.

A very special thanks to Pat Rouse, a gracious Lady Paramount and advisor on most things admin.

The biggest thanks has to go to the archers, this year added really bad weather to the endurance test that has always made the Challenge unique among archery events. Their patience, good humour and company made the whole thing worthwhile. I hope they enjoyed the event as much as I did.

I intend to shoot the eight days next year and look forward to sharing a target with the old and new friends from this year.
