

XX ARCHERS SUNDAY 13TH JULY 2008

Although very slippery underfoot we are pleased to report our first open shoot to be a resounding success.

We have very new members and thanks to them and the other members we enjoyed the day immensely. Thanks to all who came and showed their support. Many thanks also to Toad Hollow archers for their help and advice. Thanks Brenda for your help in admin.... We look forward to seeing you at our next open shoot date to be arranged.
