

ARTEMIS ARCHERS

6th November 2011

Report and Results

Well our big shoot, our very 1st Shoot, arrived after weeks of planning. An early start on a cold morning and the damp soon cleared away as the sun shone and continued to bless us all day, good omen.

The course was laid, the marshals, admin, catering all done ready, waiting and eager to greet the archers. With the shorter day we limited it to 4 on a peg and 36 targets out there, as it was 136 archers took to the course and all returned. The course is not flat and targets were placed to maximise the remains of the seasons foliage giving the illusion of greater distances, the few apparently long shots really weren't that far folks, honest.

There were;

1 over 60, 1 over 50, 5 over 40, 5 over 30, 7 over 20, 15 over 10 and 3 under 10.

The targets used were the familiar Martin, Delta and JVD, but 11 of them were wonderful DFSV faces from Flybow (Bear, Otter, Beaver, Bellowing Stag), 12 of them were the cracking new Merlin ones (Croc, Spider, Rhino and Wildebeest) and a couple of the now long gone faces (Magpie, Pigeon, Kingfisher) which all added to the days enjoyment by all accounts.

The course continued to keep moving all day and we were off around 3:30, in time for a final drink and a bite to eat from the wonderful catering ladies. Anna had the results in quick time and the Medals awarded without correction. We had it all taken down and were heading back home for around 5:30pm, it ran like clockwork. Big mention to our friends, the crew from South Wilts. who drove 3hrs to get here. The kind of support our society is known for.

Many Thanks to you the Archers for attending and all our helpers on the day.

We were proud at the beginning we were proud at the end.

The reports back have been extremely positive and these will urge us on so look out for the next Open shoot appearing on the calendar.

An auspicious start for the club.

Anyone interested, all welcome, we will be having a club friendly this Sunday 13th with the same faces on. £3 each, no food but poss. tea and coffee. 10am start
