

## NFAS NEWSLETTER SHOOT REPORT FORM

Host Club	Crusader Bowmen
Shoot Date	10 <sup>th</sup> April 2011
Report produced by	Philippa Riley

On a beautiful spring morning 105 of you turned up to our pre-champs shoot. I won't mention the 13 no shows many of whose cancelling emails remain stuck in the ether- i.e. they didn't get to Debbie's computer! Most of you enjoyed a challenging course with some cracking use of our hills. Our new one-way system in and out of the woods worked perfectly - thanks to Andy for the new signs and gate-management. Also to Tina for her devilish choc. cake and to Maureen for at least four delicious cakes! (My Kit-Kat sales were well down as a result.) Nicola did her first very capable stint in Admin. with Debbie, not realising she would suddenly be called upon to organise the loos- Sorry Nic!- above and beyond etc.... Usual thanks to all the members, particularly as we are short-handed at present.
