## 30 Target Big Game Shoot 2010

Savin Royd Woods, Haigh Lane, Haigh Village, Nr Woolley (M1, J38)

21 November 2010 - 30 Target Big Game - Cold, 4deg, No wind, No rain

---

A friendly atmosphere on a cold morning (4 degrees) at a new field course was the setting for the first NFAS Shoot for Dearne Valley Archery Club (DVAC). The weather was kind, cold, but no rain or wind, and the Archers arrived expecting a good days shooting, and from the comment, left with exactly that. Some challenging targets on the course and many of the Archers commented on the available shots for the future with the size of the woods. A combination of different target faces not generally available gave an added touch of individuality to the shoot and challenged even the more experience archer.

We would like to thank the Archers for attending and for their comments and advice for the future from their many years of experience. The archer's concerns of a new course, from a new NFAS club were clearly put to one side, to prove that DVAC are committed to Archery and delivering challenging enjoyment now and in the future.

It was a pleasure to hear many archers would be happy to return, and DVAC are looking for a suitable date in May 2011 for the next challenge, more information will be published shortly

Thanks once again to everyone
