

12th October - Bridgewoods FAC Open Shoot

Despite some heavy rain earlier in the week we were fortunate to have a dry(ish) day for the 38 archers who were in attendance, so both our courses were in use. After a hearty cooked breakfast, the morning offered a normal three-arrows round on the more difficult upper course consisting of 24 3Ds including a predator/prey shot and that long uphill double deer which caught a few people out!

Following the usual lunch of burgers, bacon rolls and butties with hot & cold drinks there was a one-arrow round on the slightly easier lower course of **TBD** 3D targets. For their one arrow, the archers could nominate the peg from which they'd shoot and take the corresponding score – this resulted in a faster round and a quicker return to the clubhouse for tea & cakes while the scores were sorted and the raffle drawn. Thanks go to those generous archers who had more than one winning ticket drawn and declined a second (and in some cases third!) prize, allowing more of the others to go home burdened with booty.

Comments received indicated that a good day was had by all; it was especially nice to see some couples both being in the medals, with the Rouschmeyers, the Seeds and the Lehanes going home happy. Then, to put the metaphorical icing on the cake, the forecast rain had the decency to hold off until all the visitors had left and we'd just about finished packing everything away – result!

As always, thanks also go to the course layers, the marshals, our treasurer John for deciphering the score cards and particularly the lovely ladies in charge of the catering, bless 'em!

We look forward to seeing you at our next open shoot...
