

COMPANY OF 60, SHOOT REPORT & RESULTS: MINCE PIE SHOOT 14 DECEMBER 2014

Beautiful weather over the weekend was exactly what we wanted for our Mince Pie shoot. A crisp and

cold early morning meant that the woods looked lovely with a sheen of white over everything, but the fire was soon alight.

Over 100 members and guests arrived to enjoy our last shoot of the year,

And found 36 targets mostly Paul Fearn hessians with a few 3Ds near to the hut. Gollum Santa was out in his sled and a gremlin guarded the Xmas tree plantation, an elf was spotted tending the fire.

Warming home-made soup for lunch was welcomed by the archers, and everyone finished the course before the shoot ended at 3.30, the archers made their way home with mince pies and a hot spicy seasonal drink.
