

Aurora 2-day shoot 28th-29th March 2015

Huge thanks to all of our archery friends who joined us for our two day shoot at the end of March, over 110 archers on each day was a great turnout and we really appreciate your continuing support and positive feedback.

Unfortunately one element we can't control is the weather (note to self... never, ever tempt fate again!) and the assembled masses experienced what can only be described as a weekend of two halves – a lovely, bright Spring Saturday closely followed by monsoon-like conditions on Sunday. Luckily field archers are hardy folk meaning most were up for the challenge and we thank you all for toughing it out to the end in defiance of the torrential rain. We hope it didn't dilute your enjoyment too much!

Now for the thanks, firstly to Holly and Stewart for designing the course that was universally acknowledged as brilliant - very testing but fair with beautifully staged shots, imaginatively using the terrain to great effect whilst offering plenty to bamboozle everyone – great job guys!

To the fabulous catering team led by Teresa expertly assisted by Agnes, Stuart, Matt and Theresa, delicious specials and legendary cakes ensured nobody went away hungry!

To the king of Admin Ian, looking good and clearly well on the mend after his recent heart attack.

To all of the club members that helped out over the weekend laying the course, marshalling the event and of course ripping everything down at the end – a military grade operation expertly choreographed by Paul, our very own Chief of Staff. By name thanks due to Phil, John, Ian, Kris, Mark, Mitch and Richard, thanks guys – we couldn't do it without you.

As always huge appreciation goes to Mick Mitchell and his Radical Bikes crew for allowing us to use their facilities, hopefully the field is recovering from its whipping as a very muddy car park. To Lord Petre for allowing us all to enjoy his wonderful Parsons Spring woodland and once again to Madi for supplying us with the wonderful medals and Louise for making the ribbons.

So here's to the next one – we look forward to welcoming you all once again over the weekend of 12th/13th September for some more fun in the woods – bring it on!
