

Hawk Archers

Big Game Shoot July 5th 2015

Shoot Report

We were expecting the worst possible weather, but as it was, the day turned out to be a sunny one, with only the occasional storm. However, this didn't stop play or subdue happy smiley faces at the tea tent.

Thank you to our few members and all their hard work in getting the course ready and providing food and drink throughout the day. Colins Chilli was a hit as always!

We would like to thank those who came, and gave their generous support to the Sue Ryder collection which took the place of a raffle, Hawk archers Club and members added to the box to make a total of £65.00. This has gone to the Leckhampton hospice where sadly Bob Nourish passed away on the day of the solstice this year. We look forward to seeing you all again next year.
