

Raven Field Archers Weekend shoot, 18th-19th July 2015.

Report by Steve Palmer.

Weather wise, it proved to be hot and sunny for the 92 archers who attended our weekend shoot at Head Down woods near Petersfield in Hampshire.

Our course design, using part of the 450 acres of woodland, once again provided a great challenge with subtle changes that we made over night, certainly caught out the more confident on Sunday.

A big thank you, to Caroline and Bill who provided the catering and to “Raven club members” who helped throughout the weekend.

May we wish a happy 80th birthday to “Micky” Pearce from all at “Ravens” It was great to see him negotiate our course, hills and all.
