

Pines Park Archers 13th September

121 of you turned up to go round our course and thanks to all of you for coming. Good to see so many of our club members coming to help out with course laying, marshalling, admin and generally being good sports, some of our new members found the experience a real eye-opener – thank you everyone! Weather could not have been better for shooting and although some of you found the course was challenging, positive feedback also said that everything was hittable, it was enjoyable and it was a good precursor to the national champs the following week. The usual amount of bacon butties were duly consumed and a variety of raffle prizes won as well as a good day full of archery. Full results will be available on our website as usual. www.pinesparkarchers.org.uk.
