

4th October Shoot Report Wild Geese Field Archery Open

Another excellent turnout at Wild Geese with archers representing eighteen different clubs in attendance.

Since our last competition, we had replaced more than half of the targets on the course so we were able to introduce 24s into the scoring. Some targets were `christened` at the competition.

The new targets, along with the improvements to the course were really well received on the day. There didn't seem to be much talk of lost arrows either which can probably be attributed to adjustments we made to some shots – making better use of natural backstops. Another knock-on effect was a competition that finished over an hour early than the previous one so archers – many of whom travelled from afar could get away much earlier.

The all-day buffet – which is included within the shoot fee was once again well received.

We would like to thank everyone who came and supported our second and last competition in 2015, and hope to see you all again on the 22nd May, 2016 when we host the North Yorkshire Challenge. We'll provide you with an excellent warm-up to the 3D Championships the following week.

Results

Name	Club	Score
Gent's Crossbow		
Mike Melladay	Spirit Of Sherwood	730 (G)
Tom Sawyer	Butsfield Bowmen	626 (S)
