

Tavistock Company of Archers Easter Shoot

Sunday 29th March 2016

“March comes in like a lion and goes out like a lamb” or so the saying goes. Well it would appear this lamb has attitude! The Easter weekend managed to throw a variety of extreme weather at us from gales and persistent, heavy rain on the Saturday while we set the course, to over two inches of hailstones in 10 minutes on Sunday afternoon as the presentations were about to get underway. A big thank you must go to all the members of Tavistock Co. of Archers who were undeterred by the conditions and cheerfully kept going on Saturday until the course was laid and who returned on Sunday and worked hard all day to ensure that the shoot went well. We must also thank the landowners for such a wonderful venue. And, most importantly, we would like to thank all the archers who came to shoot and had such nice things to say about the day – you are the reason we do it!
