

Broadland Bowmen Master Archer shoot May 15th

Once again it was lovely to welcome all the visiting archers from near and far. We had our usual bunch from Kings Lynn Field Archers. It was lovely of them to still be able to visit amidst the preparations for their move to a new venue. Our esteemed Chairman Mark and my NFAS admin helper Stacey popped in to see us despite having got married the day before. It was a lovely wedding. We were lucky with nice weather for the shoot. I did wonder if our fickle spring may strike a blow but all was well. The archers were very complimentary about the course as they passed the tea and food hut. Alfie had put a nice long shot off the mound for a change and this went down well. The goal of the day was to shoot 2 arrows and scoring both in an attempt to equal or beat a score taken from the average of the last 3 years score. If you are talented or indeed lucky enough to do this you get the coveted Master Archer Patch. The Richard Groves Memorial Trophy is awarded to the adult who beats the previous score by the greatest margin and this year this accolade goes to Bridget Bellars for beating the score by a huge 240 points.....please don't forget to bring it back next year though Bridget.

Huge thanks as always to the broadland members who helped out with setting up and marshalling and cooking. Without these people we would have no shoot.
