

**NORTH LAKES FIELD ARCHERS
SHOOT REPORT
9/4/2017**

On a sunny, dry and at times breezy Sunday in April, a club record number of 126 archers travelled to North Lakes to shoot a new 40 course of 3Ds and 2Ds. From the feedback we received everyone found it a tough course but enjoyed the challenge. Thanks go to the course layers Allan & Tom, the marshals and admin and all the club members who helped on Saturday setting up and on the day of the shoot. Special thanks to the catering team who received a lot of compliments about the quality and reasonably priced food available. Most of all thanks to all the archers who made it a fun and competitive event. See you all at the Cumbria Challenge.

AFB - Gents

A few comments received about the shoot on social media.

I'd like to say a big thank you to the North lakes crew for putting on a cracking shoot today with a great atmosphere and as usual, nice grub.
It was a challenging course that made us scratch our heads more than once.
A lot of thought and effort obviously went into today, and it showed.
So again, thanks lads, from us lot at Pennington Archers.

Thanks for a great shoot today. Fabulous weather, great company, catering was awesome as usual and some very challenging shots. Looking forward to coming back in June for the first leg of the Cumbria Challenge xx

Cracking day at North Lakes for there open shoot. Very challenging, Great weather. Thanks to everyone involved.

A big thank you to north lakes for todays shoot. 40 testing shots and incredible weather, good show all round.

Dear All, thank you for an enjoyable & challenging course. Thoroughly enjoyed the day. Looking forward to the next one.

If you weren't at North Lakes today, then you missed out.
6 of Team Firebird traveled north on what was possibly one of the best days of the year so far.
Cracking catering welcomed us and we were led out onto the Hillside to tackle some of the most testing shots, I for one have experienced.
Although the sun shone, that naughty wind played havoc on more than a couple of targets.
Still, we all had a fab time and will definitely be back, that's if they'll have us.

Yes it was a very testing course but it was the same for everyone, as always great food and very nice people attended thanks for all your hard work to north lakes.

Really enjoyed the shoot, I found it a bit taxing for my 72 year old legs but had a fab day. I'd like to thank you all at NL for all the hard work involved in laying the course and the friendliness towards us all.

We had a great time. It was one of the most testing shoots, we've ever shot.

Thank you very a great shoot very challenging but very enjoyable and great company. The catering was very good as well. Congratulations to you and all at North lakes.

Thoroughly enjoyed ourselves, thank you all for putting on such a challenging course, shot crap but so what, had a brilliant day, take care and see you soon.

Delighted to be able to share the day with those we are proud to name as our Cumbrian friend
Had a great day on a very good and challenging course. Great work from all your club members

Had A brilliant day at North Lakes Field Archers. A great group, didn't think I'd shot particularly well, but managed a 2nd.

Would like to thank you to all the staff yesterday at the north lakes shoot it was a good shoot and well done to the chef for the burgers they was lovely.

Had a great day today at North Lakes. The course was very well laid out, it made for a challenging shoot. It was great to catch up with old friends and meet new ones. Lovely food as usual. Thanks guys.

That was the best shoot your club put on to date. It was a very tough course, Alan Carruthers is a git lol. Thanks for a great day you and your club did yourselves proud and a hell of a turnout. 😊
