

SW Crown - 09 April 17

A very big thank to all archers who turned out for the South West Crown held in Warren Woods, by the kind permission of the Bastard family of Kitley Estate, Yealmpton.

The round consisted of 36 targets (35 X 3Ds and 1 face (large Grizzly)) and over eighty archers shot on the day. The weather had been fantastic in the week leading up to the shoot and it didn't disappoint on the day with glorious sunshine with a light breeze.

The original four antler, oak, Crown trophy was supplemented by two similar but smaller awards. These were turned from Yew and donated by Rob Cain of Yelverton Archers. The "Jimmy" has a single antler and is awarded to the highest scorer in the Under 12 classes. The "Freddie" sports a pair of antlers and is awarded to the highest scorer in the Under 16 classes. As with the original trophy, the winners are determined by adding a handicap factor to the scores achieved in the competition.

These new trophies were created in memory of two of Rob's uncles, James and Frederick Hawke. They were Westcountry men who lost their lives in the Second World War, aboard the battleships Prince of Wales and Repulse when they were sunk in the Indian Ocean.

The winner of the South West Crown trophy was Trevor Walter (Bowhunter). The Junior Crown was won by Joseph Rigler (Barebow) and the Cub Crown by Harry Jeffery (Barebow). The most successful club at this year's event was Ballands, winning six of the class trophies, two of the crowns and were the top scoring team.

Thanks to Julie and her catering team, also club members that helped and marshalled on the day. Appreciation is also given to Nick Hawken (Muscovy Archers) who runs the South West Crown and ran the administration (handicap system) on the day.

We hope to see you all again in August (5th & 6th), for the final two days of the South West Challenge 2017.

Primitive Gents

Name	Club	position spot score		
Giles Spearing	ind	1	1	430
Steve Rufus	Windwhistle	2	2	408
