

Hollywood Open 7th May 2017 – Shoot Report

It was good to welcome everyone back to Hollywood for our May Open. We had fun working out the course and found ourselves walking round it wishing we could've shot it, however it was nice that 59 of you got the opportunity. We even managed to book the weather! We hope you enjoyed the day and that some of the shots were a fun challenge - we received some very lovely comments from people some new to field archery that they had enjoyed it including the food at lunch. Thanks to Paul, Joolz, Pat, Pam and Alan for your help on the day - it was much appreciated. See you all again in October for our autumn shoot ☺

AFB – Gents
