

Hollywood Open 1st Oct 2017 – Shoot Report

Thanks to all those who attended our autumn open shoot. Despite the weather forecast the rain held off until the end of the day (just in time for us packing away!) though good for those shooting ☺ We had fun working out the target placements, initially carrying around imaginary bows then testing it with real ones, hopefully you had an enjoyable day. Thanks to Pam (Glenn's wife) for her time preparing the homemade food and helping with catering duties throughout the day – it was really appreciated. Thanks to Trish for being lady paramount. Also thanks to Paul and Joolz for directing people at the gate in the morning and to Alan for helping to pack everything away at the end. See you all next year! Glenn, Joe & Sarah.
