

Hanson Bowmen 14th January 2018.

104 Archers booked in and shot our 36 Target course which was a mixture of 3D's and Paper faces.

The weather was oh sooooo cold but at least it remained dry.

This shoot was made possible by our course layers, marshalls and admin. Special thanks go to the Catering Ladies for keeping us all going with plenty of hot food, cakes and drinks.

Thank you to every Archer who came and we hope to see you all at our next shoot.
