

COMPANY OF 60, SHOOT RESULTS OPEN SHOOT, 18 MARCH 2018

SHOOT REPORT

Despite Son-of-Beast-from-the-East causing many no-shows on the day, 45 hardy archers still enjoyed shooting our woods in a beautiful carpet 3 Centimetres of snow. The 3Ds looked resplendent in their toupées of snow and our new 'Barn Door' 2D hessian proved particularly amusing when a number of people could not hit it! Back at the club hut, the warming chilli con carne proved to be in particular demand. With the majority agreement of those shooting we dispensed with the usual medal-giving ceremony in favour of getting people back into their warm cars and back off safely home. We promised results will be published on the website and medals sent to the winners by post. As usual our thanks go to our Lorraine Thorne and the catering team, course layers Mark Stockton and Martin Shadbolt and the work-party and marshals. Our next shoot is our Bluebell Shoot on 13 May and we hope to see you there.
