

## **MAGNA CARTA FIELD ARCHERS**

Spring Open Shoot

March 25th 2018

After the 'Beast from the East' it was a relief to gather on a mild spring day – slightly overcast to begin with but bright and warm by the end.

Bernie and Terry had set another deceptive course incorporating random Easter Eggs and Bunnies as well as the more traditional 3D's.

The layout in two loops gave everyone the chance to pause for the excellent refreshments provided by Claire, Barbara and Paul. Thank you for all your hard work and preparation.

General opinion of the 60 + attendance, was that this was yet another classic Magna Carta course with only a couple of details for our new course setters to sort out for the next shoot (Many thanks to those who pointed out the odd issues on the day).

A big thank you must go to the course team of club members who worked long days in the off season and also on the day to get the course ready, organise parking and then help clear up afterwards....you know who you are, so thank you!

The club goes from strength to strength so if you live within driving distance and want a great all year course to shoot over, please consider joining us. Details are on the web site.

Our shoots in 2018 can be also found on our website and also the NFAS shoot list.
