

NORTH LAKES FIELD ARCHERS - April 15th, 2018

A massive thanks to the 122 archers who travelled to North Lakes on Sunday for our first open of 2018 and made it such a fun and competitive event. From the feedback we received everyone found it a tough course to both shoot and walk, but enjoyed the challenge.

The day was warm, dry, bright and breezy and the weather stayed kind up until the end of the presentation when the heavens opened and we all got soaked. A special mention goes to the members of the NFAS who pushed and towed others from a very muddy field.

Apologies for the hasty presentation but we anticipated the deluge ☐

Thanks go to our course layers Allan C and Tom, the marshals, admin and especially the catering team who once again provided some great food at a fair price.

Our next shoot is September 30th and we look forward to welcoming you back to North Lakes.
