

RAVEN FIELD ARCHERS OPEN SHOOT (NFAS) 29 April 2018

We held our open shoot at Head Down, part of the Queen Elizabeth Country Park in the South Downs, about 1 mile from Buriton in Hampshire. Head Down has one of the highest spots in Hampshire (perfect for those steeper angled shots), plenty of well-managed woodland and large areas of wild garlic in parts.

We treated 78 archers to 36 challenging 3D targets, made more challenging because of the brisk wind and surprisingly chilly temperatures for late April, of around 7°C! The catering team were kept busy serving hot food and drinks to keep everyone warm. As our club's wood is not suitable for open shoots, the planning and work that goes into running a shoot by the field and catering crew is an amazing feat and always deserves a huge round of applause. Thanks to all the archers who supported us and who gave us such great feedback!
