

South Wilts – Master Hunter Shoot – 15 July 2018

81 archers shot our Master Hunter course of 34 x 3Ds and 2 large Faces on a sunny, hot day. Feedback on the course was good again, thank you.

A brief explanation of how we awarded Master Hunter Patches – having looked at the scores for our first two years running this round and chatting to Cloth of Gold on how they do it (thanks Jamie), we concluded that because every course is different, even year to year at the same Club, we would calculate the average of the top three scores in each Style/Class and use that as the minimum score for a Patch. Where a second &/or third highest score was below but very close to that minimum then they also received a Patch – see the results below. This ensures the best archer in each Style/Class on the day won a Patch as did their close rivals. Thank you all for your company.

Many thanks to all of our Team – Course setting & Marshalling, Catering and Admin.
