

# **REDNEXTRAVAGANZA EASTER 2019**

Well now Ladles and Jellyspoons: just a few weeks to go until Rednex III and we're set for a great turnout, but there are still spaces available, should you like to join us. Booking is via <https://goo.gl/p1e5as>

## ***A reminder of the event:***

We are at our usual venue; Thorrington Hall Woods, Thorrington, Essex, CO7 8HA (adjacent to St Mary's Church) We are glad to say that the car parking should be much better this time as the lorries are now parked at a different site.

We have two days shooting, Saturday 20<sup>th</sup> and Sunday 21<sup>st</sup> of April. Each day will consist of 40 3d targets set out in two loops of 20 pegs.

Registration will be open from 08.00 each day and the start time will be 10.00

All NFAS shooting styles are welcome at the event, however, to be eligible for the prizes, both days must be completed. Archers are very welcome to shoot on either day to pit their wits against our course layer in chief, Mr Mark Jones and his evil plans, but we hope you will be with us for both days.

Full catering will be available on both days and we hope you will partake heartily, whether it be to fortify yourself ready for the off, top up with tea and cake, glorious cake as you pass by on your journey around the course or to help you recover at the end of the day's session.

## ***A couple of business items:***

NFAS membership cards should be renewed by 31<sup>st</sup> March 2019, therefore only 2019/2020 cards will be accepted and you must have a card with you to be able to take part in the event – NO CARD, NO SHOOT.

Finally on the business side; due to the nature of the woods NO DOGS are allowed on site.

In closing, we are hoping for the intervention of the weather gods and a fabulous field of Bluebells to help the days go with a smile. Wishing you all good shooting I the meantime and we look forward to seeing you in April.

**TEAM REDNEX**
