

Fleet Ibex Easter Shoot – 24<sup>th</sup> April 2011.

It was the hottest April on record and Easter Sunday was no exception in the Fleet Ibex woods. The perfect day for over 160 archers to pit their skills against each other. The course layers didn't disappoint with their beautifully (or cunningly placed) shots. My prize for the most amusing shot goes to the rear facing turkey and I'll leave it to your imaginations to guess where the kill was! The meerkats in the bomb crater looked so easy and so close, yet were fiendishly difficult to hit.

Thank you to all the catering ladies and those who made the yummy cakes to keep us going, and thanks to everyone who came along for supporting the club. Our August shoot is almost full, so book in quick if you want a space!

Vicki Cunningham.
