

NFAS SHOOT REPORT

Host Club	Longbow Heritage
Shoot Date	3 rd & 4 th July 2010
Report produced by	Theresa Hearne

This was the 25th Anniversary of Jim's Jungle Jaunt. Originally started by Jim and Dolly Edwards with their daughter Carol. Sadly Jim and Dolly are no longer with us but the spirit of the shoot lives on. Two days 45 targets each day a mix of hand painted and 3d's. It was definitely a challenge, not least because of the glorious weather which was slightly too hot for some people. Carol excelled herself with a good challenging course; thanks go to Bob Miles, Paul Chenery, Darren Ball and Vince Clarkson to mention a few of the helpers. Paul and Claire nobly stepped into the breach and did very well with the catering keeping everyone supplied with good food, 191 Archers shot on Saturday, 191 Shot on Sunday. This is always a very sociable shoot with archers travelling from as far afield as the Isle of Wight, and Germany, Most seemed to have a good time and the social evenings were wonderful; this is always a good time to catch up with people who you see only at the large shoots and Champs. As this was the 25th Anniversary year and Carol and Mick Pearce got married it was wonderful to involve everyone in a service of commitment held in the evening. Let's hope this is a turning point for them as they have had a few difficult years. We also have to thank everyone who helped clear up on Sunday after the shoot; it did make it so much easier. The Jim and Dolly Memorial trophy went to Alayne D'Attoma of Toad Hollow. The raffle showed a profit of £140 which was donated to the Gerald Durrell Wildlife fund. Donations for target changes went to the Air Ambulance £15.00.
