

# SPIRIT OF SHERWOOD FIELD ARCHERY CLUB

Once again, what a shoot! After four and a bit months preparation putting the course together in new parts of the woods and us moaning about not shooting, it has all come together and as always, it was all well worth it!

We had a very good turnout of archers, many of which said it was the best course we have laid to date. The moving target was met with sighs and groans but many people hit the flying pig scoring a kill with many opting for a second arrow following a small donation to our charity fund.

With the floating buckets and raffle combined, we have raised £260 on the day in memory of Carl Newham all going to MacMillan Cancer Support.

Thanks to all that attended

Spirit of Sherwood
