

South Wilts AC – ‘Not’ Boxing Day Shoot – 27 December 2011

91 archers set off on our 30 target mixed Fun Shoot. One brave soul even came all the way from Centaura (but not in one day) – it was good to see you Laurie.

Despite the very mild weather the Polar Bear made an appearance again in his ice cave. And his mate was seen at the top end of the course as well. Somewhere in between was the Lion – well that’s the UK climate for you!

Our whole team did a great job again, so thanks to all the Club members who were able to help.

We are considering moving this shoot to the weekend between Xmas and New Year (eg. Saturday 29 Dec 2012), but avoiding New Year’s Eve. We would appreciate your views.

We hope to see you at our Bluebell Weekend on 5 & 6 May 2012 – Entry forms are on our website.

Alan White, Field Shoot Organiser
