

**Shoot report for Stonebow Field Archers  
Clout & 3D shoot held on Sunday 8<sup>th</sup> August 2010**

Once again the weather Gods were kind to us with a perfect day for Clout shooting – calm and warm. Our intrepid band of visitors strode out into the field between the two woods and took aim at the flag in the distance. 'Is it really THAT far?' and 'How am I supposed to hit that?' were overheard as the shooting line got nearer, and the flag seemed to get further away! But hit it they did – well Kerri Yeomans our eventual winner did – and at age just 14 that was no mean feat from 120 yards. At the end of the competition the Clout element of the shoot was hailed as another great success.

After lunch our visitors got stuck into our field course with the eventual winners in each category as follows:

Gents HT

Joint First: Steve Syme & Chris Yeomans **396 & 1 Spot**

Junior Ladies HT : Kerri Yeomans **298**

Ladies AFB: Gillian Mill **320**

Ladies Longbow: Jane Lovel **194**

Gents Primitive: Andy Thorpe **230**

Junior Gents Primitive: Harry Thorpe **260**

Gents Longbow: Dave Framingham **284**

Gents Compound Ltd: Lee Haverton **488**

Gents Barebow: Richard Mill **452**

Once again we would like to thank all those who supported our shoot and we hope to see everyone again at our 2 planned shoots in October (see NFAS website for details, or [www.stonebowfieldarchers.co.uk](http://www.stonebowfieldarchers.co.uk)).
