

AGM Proposals

The date of the 2022 AGM is Saturday 19th November
Location: Awsworth Village Hall NG16 2QQ

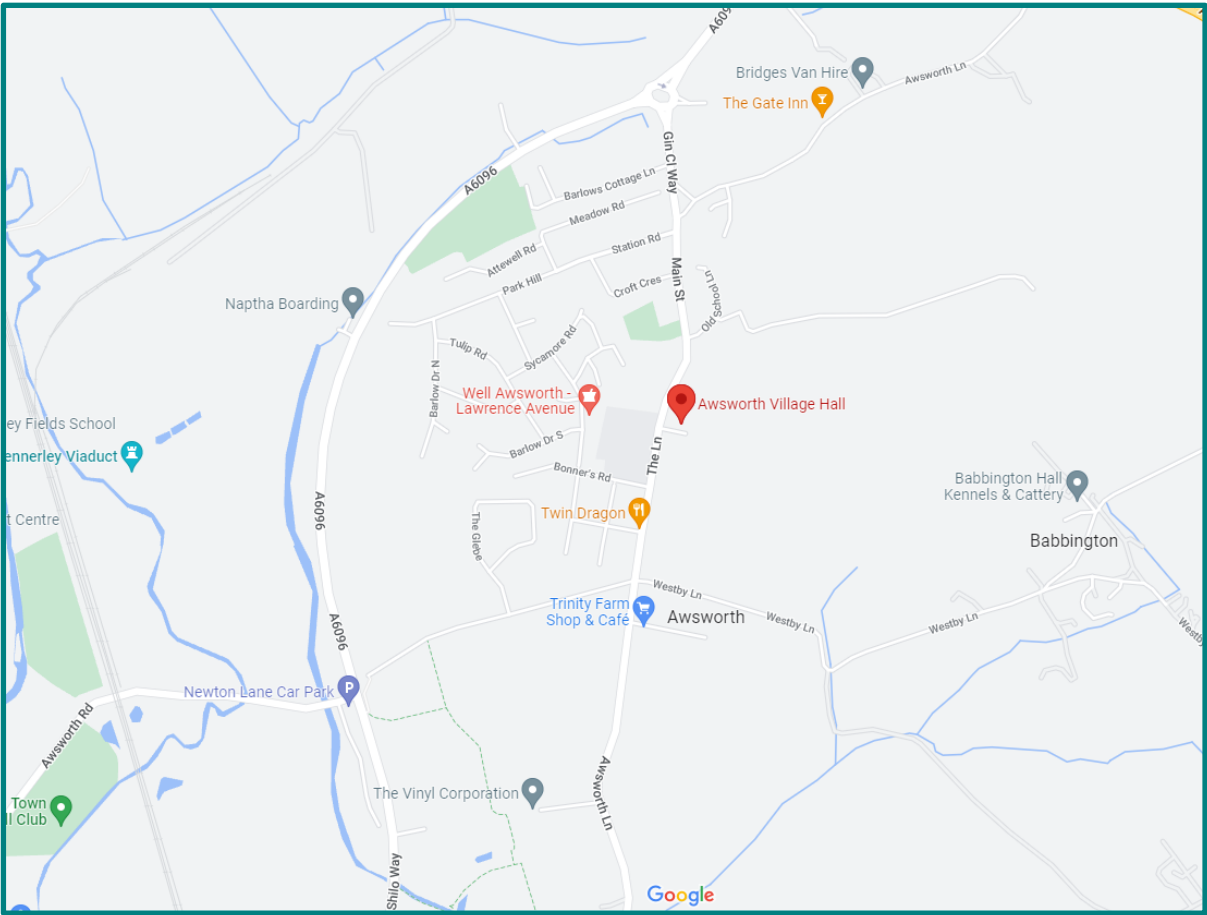

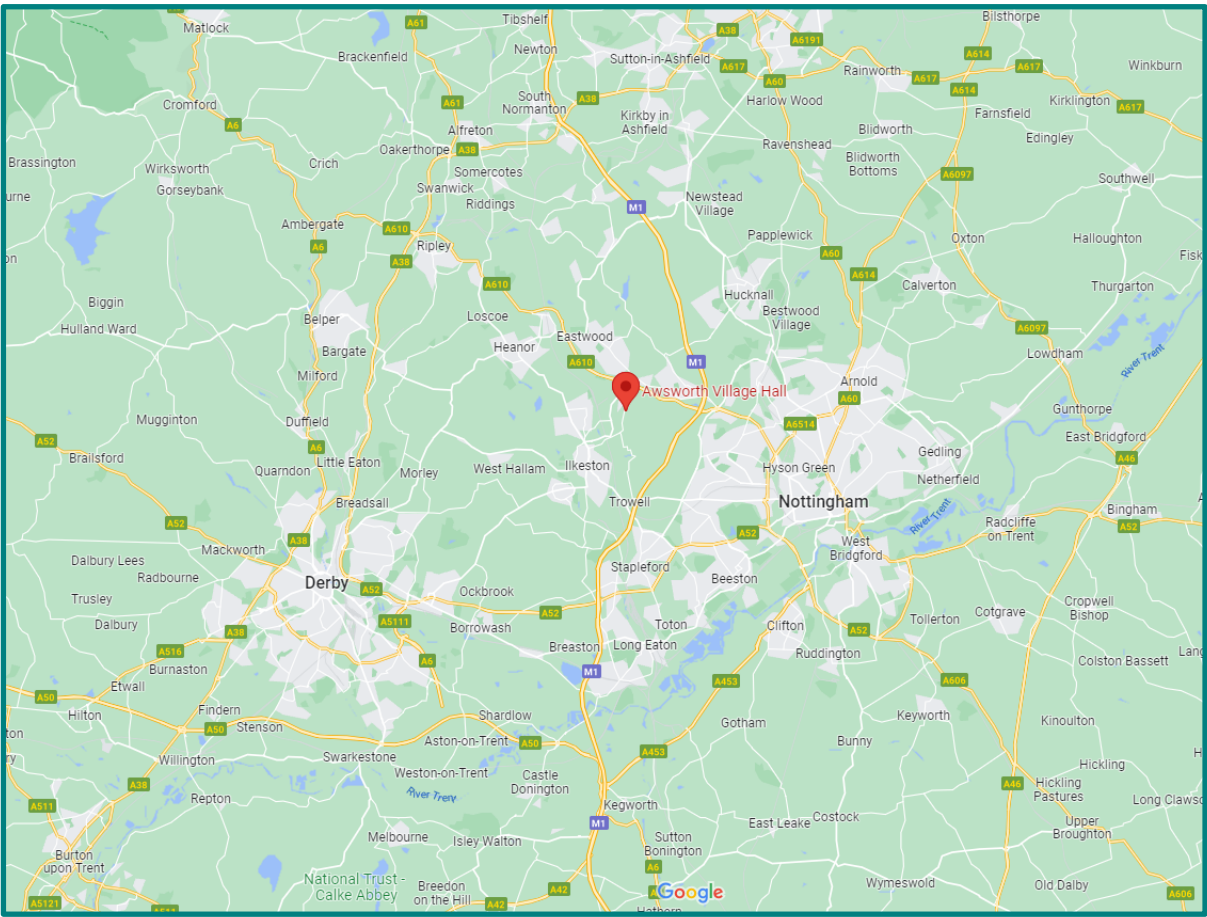

The forms to change, remove or add an NFAS rule is included in this edition of the newsletter. All sections must be completed for the form to be valid. Here are some guidelines to ensure a smooth process:

- Proposals will need to be submitted by five members eligible to vote - the proposer and four others. Changes to the Constitution require signatures from 50 members entitled to attend and vote.
- Proposals will need to be clear and unambiguous. Any queries by the Committee will be discussed with the proposer to ensure the meaning of the proposal is clear and not cause undue confusion.
- Proposals will be published in the next newsletter which will give the members a chance to discuss the changes with other archers ahead of the discussion at the AGM.
- The proposer or one of the supporters must attend the AGM to explain the benefits of the proposal. This gives members the opportunity to debate and suggest possible improvements to each proposal. The proposer has the right to accept or reject any suggestions for amending the proposal. If no supporters nor the proposer attend the meeting, then the proposal will automatically be rejected.
- Following the AGM, the proposals, with any amendments, will be published in the January/February newsletter along with voting forms.

The date of the AGM is **Friday 19th November 2022**, the location is:

Awsworth Village Hall
The Lane
