

AMENDMENTS

EFFECTIVE FROM 1ST APRIL 2020

AMENDMENT

Shooting Style Rules; Unlimited (p30)

Paragraph 3 is replaced with:

With effect during the whole day, archers shooting in the Unlimited class may use either (but not both) placement cards or binoculars/monocular to identify the position of the scoring zone at any time after the sight has been set for each shot on each target. Once the kill zone has been identified using a binoculars/monocular the sight cannot be adjusted on that shot. Any binoculars/monocular used must not be capable of measuring the distance to the target.

NEW RULE

Shooting Rules, new section: “**Championships**” (p8)

To be eligible to enter the National Championships or 3D Championships you must have either:

- a) Shot in a previous NFAS National or 3D Championship and can be verified; or
- b) Provide three score cards (signed and dated by the shoot organiser) for the shooting style you intend to shoot at your first Championships. The score cards must be for shoots that have taken place within the last three years, be from three separate NFAS open shoots (though not necessarily from three different clubs) and must not be from your own club.

AMENDMENT

Safety Rules; rule 16 (p14)

To be included after the first sentence:

No alcohol should be present or consumed on the course, or during any activities held under NFAS rules.

AMENDMENT

Shooting Style Rules; Crossbow (p24)

The sentence that starts "No cocking aid, other than..." is replaced with:

A foot stirrup or T-bar is permitted. A cocking rope only may be used, no other cocking devices/aids are allowed. Bolt weight must not exceed 500 total grains (including point, fletches and insert).
