

MAGNA CARTA FIELD ARCHERS

Spring Open Shoot

July 22nd 2018

On yet another blisteringly hot day of this summer to be remembered, over 80 hardy folk turned up for our second open shoot of the year.

Having initially panicked about where we were going to park everyone, we eventually got the use of the paddock at the top of the course which eased the potential congestion and made life much easier for Simon, our parking marshal.

Bernie, Terry assisted by Chris and Pedro had subtly tweaked the spring course with the addition of some new 3D's all of which provided the usual cries of "You have to be joking!" but did provide a crop of significantly high scores including our first 700. So thanks once again to the course team who worked long days in the heat to get the course ready and also to Steve for the use of his awesome quad bike and trailer for shifting the 3D's back to the shed at the end – very much appreciated.

Also, a huge thank you to the catering team of Claire, Paul, Anne and Barbara who managed to keep everyone fed and watered on such a challenging day. It can't have been much fun being in a hot kitchen all day so your efforts are doubly appreciated.

The club goes from strength to strength with membership rising and shoot attendances on the up, so if you live within driving distance and want a great all year course to shoot over, please consider joining us. Details are on the web site.

Our shoots for 2018 can be also found on our website and also the NFAS shoot list.
