

Delamere FA Open Shoot Results March 2020

Storm Jorge kept the Open Shoot in doubt right up until the preceding Friday; fortunately however, the Sunday was a glorious, sunny day with clear blue skies – although also with a bitterly cold wind. 111 archers had booked in and after cancellations & no-shows 105 actually turned up. The safety brief started at 10:05; all archers were in place and the shoot started at 10:23. Over a hundred archers were "parked," "registered," "catered," "raffled" and "medalised" and the last score cards were signed by 16:28. Pretty impressive work, and thanks must go to the club members who turned up & worked so hard to make the day a success. It says something when the biggest problem on the day was running out of bacon!!
