

## Albion shoot report for 19th September

On the 19th September we hosted a wooden arrow shoot for 47 archers, some who had travelled a fair distance, so thank you for coming to support us.

Due to the size of the woods we did 2x20 faces and 3ds, after shooting the first round of 20 it was lunch break which, gave our Marshals time to change things around a bit to make the second 20 a different shot from the first.

We had limited catering of filled cobs and crisps, beverages and free cake. Which was a great hit. Thanks goes out to everyone that made it happen, and everyone that has given us some amazing feedback.

Hopefully it won't be another 7 years before our next one.
