ARTEMIS ARCHERS 2021 NFAS OPEN SHOOT

After an absence of two years, 2021 saw the return of Artemis Archers' shoot to the NFAS calendar. After having to cancel our 2019 shoot due to flooding at our woodland we were hoping for better weather. The weather for the first few hours of Sunday morning didn't look promising, but despite the weather we welcomed seventy archers to our course.

The weather cleared up by 11am and for the rest of the day, it turned out to be pleasant and sunny.

Thank you to everyone that came to support our shoot. We hope you all enjoyed the day, and we look forward to welcoming you back in 2022
