

## Harlequin open shoot results 28th November 2021

A massive thankyou to everyone that turned up to our shoot and braved the cold and snow, as most archers went home early because of the snow and how bad it was getting in some parts of the country we did not do a medal presentation, so if you would like a medal, please let me know (Julie Bacon)

(Sorry for the delay on the results I've been laid up and on some good pain killers ☹️ ☹️ any errors let me know)
