

Cumbria Challenge June 18th-19th 2022

Two days of ideal shooting conditions and two different courses were to be had at the Cumbria Challenge in June, with a 2 x 22 mixed shot at North Lakes on the Saturday, and a 2 x 22 3D at Kendal on the Sunday. These two very different layouts were planned and set up at each venue, in order to give archers as much of a variation of shooting over the weekend as possible. It was noted and appreciated that as well as the regular attendees who we rely on to make these events worthwhile and viable, there were some who had travelled from much further afield to enjoy this weekend of shooting in the Lake District. Thanks to Allan Carruthers from North Lakes for making the trophies.
