

Wolfshead Open Shoot 4th September 2022

Compared to our pre-Covid shoots, a somewhat reduced entry of 52 archers gathered for the last Wolfshead open shoot of 2022. The weather forecast had been terrible earlier in the week and although it had improved a little by the weekend it was still a cause for concern. In the event, despite a little rain early in the morning, this quickly cleared and turned into a beautifully sunny day, which showed off the mixed woodland and open moorland course at its best.

Thank you to all those who attended. As always the competition was keen but good humoured. It was good to see some new faces as well as catching up with old friends. We hope that you all enjoyed yourselves. Please come along and join us for our next open shoot on 26th February 2023 and experience field shooting in the heart of the North Yorkshire Moors National Park.

Thanks also to all the club members whose hard work made the shoot possible, whether preparing the course, acting as marshals or by cooking and serving in the kitchen.
