## Cloth of Gold Open Shoot 17 July 2022

For the second shoot of the year put on by us at Cloth of Gold and with a forecast of extreme heat, we had a bright sunny day filling the woods with light and shadow. 67 willing and eager archers came to take part and after a safety briefing the shoot got underway at 10am.

With the size of our wood we generally have 20, 3D targets set out on our open shoots 'double pegged' to give us our usual 2x20 target shoot. This time, by resetting the targets into a continuous loop around the outside of the wood for 15 shots and with a second (hilly) loop inside the first with the remaining 5 shots, we were able to safely provide 36, 3D's. This gave us a wide variety of shots, including 3 'hunter and prey' shots and three 'fan' shots.

This gave everyone a long walk round on a very hot day so we placed a much appreciated 'water station' about the half-way mark to help keep everyone hydrated and together with the canteen open all day for refreshments avoided any major problems with the 35°C heat .

At the end of the day with the last archers returning to the rest area at about 5pm, and no raffle we carried out the medal awards with some very nice scores achieved.

No doubt some archers were helped out by our 3 fan shots with 3 targets and a possible score of 72 for each shot and equally, others were frustrated by the same shots.

Visitor comments: Brilliant course, thanks again to all involved. Great course, plenty of trickery. Somehow you seem to raise the bar every shoot!!! Such a great course, and wicked settings. We really enjoyed the challenges.

Thanks to all who helped setting the course, marshalling and catering on the day and to everyone who came and shot round on the day. We'll hope to have you back again for our October 2nd open shoot.
